TESTIMONIALS

"Whole Lotta Hair was my absolute favorite band that we ever hired at Ocean View! They had amazing musicianship and an amazing creative knack for finding a great classic rock party vibe even in covers of songs that weren't classic rock. Every time they played, you could just tell how much each one of them was just having a great time doing what they love and playing good music. And that always kept a rockin' fun, party atmosphere alive and thriving all the way through every show! I love love love Whole Lotta Hair!"

"Being in a few tribute bands myself, I see & play with many tribute acts & when I want to be entertained on my night off I go see WHOLE LOTTA HAIR! WLH is a truly entertaining, fun & super tight tribute band that rocks. Don't let their age fool you, these musicians have the chops and really do an amazing job with a super diverse collection of songs, from Bowie to Zeppelin and everything in between! Killer musicianship, solid repertoire, and genuinely cool people. WLH is an awesome group that totally capture the sound & energy of the original songs/bands that they pay tribute to. I guarantee if you go see them once, you'll return to see them again & again."

"You guys absolutely blew me away! The song choices were spot-on—every track felt like a perfect pick, and had the entire crowd singing along, dancing, and completely engaged from start to finish. It felt like being transported back to the golden age of rock, but with a fresh and modern edge. On top of that, the level of musicianship was truly next-level. Whole Lotta Hair isn't just a cover band—they're a full-on experience."
